DE LUXE ARVIN *Metal Chrome* DINETTE SETS

THE LAST WORD IN *beauty, quality, comfort*

There is grace and charming harmony in every inviting line of Arvin De Luxe Sets with the new "Miracle" slide-away extension leaf. Color accents are rich and clear, and table and chairs radiate comfort and hospitality. The illustrations show table extended to full length, 34 x 62". It closes to 34 x 50", with "Miracle" leaf concealed below. The distinctive semi-oval table top strikes a fresh, modern note, provides extra room. Beautifully curved table and chair legs are 1⅛" chrome-plated tubular steel.

CHOICE OF COLORS

TABLES: White or rich canary.

CHAIRS: Cushions in rich canary, red or black; seat and back panels in gleaming white Arvinite.

NEW ARVIN 12-INCH "MIRACLE" SLIDE-AWAY EXTENSION LEAF*

Self-storing . . . amazingly simple to operate . . . saves time . . . saves space . . . saves effort

The first major improvement in table-leaf construction in 25 years.

To extend table: (a) Open the table. (b) Take hold of the leaf as shown and raise gently with a simple turn of the wrist. (c) Close table flush with leaf.

To remove leaf: (a) Open the table. (b) Lower the leaf by pressing it lightly in at the edge. (c) Close the table.

• • •

The simple motions required take but a few seconds. There's nothing to lift out, nothing to store away—nothing to stick, jam or go wrong. The leaf is automatically stored just below the table top—completely concealed, yet ready for instant use. Operates so easily that a child can raise or lower it with one hand. Unquestionably the most convenient table-leaf ever developed.

ARVIN UPHOLSTERED CHAIR, STYLE 5

Deep-cushion luxury and comfort

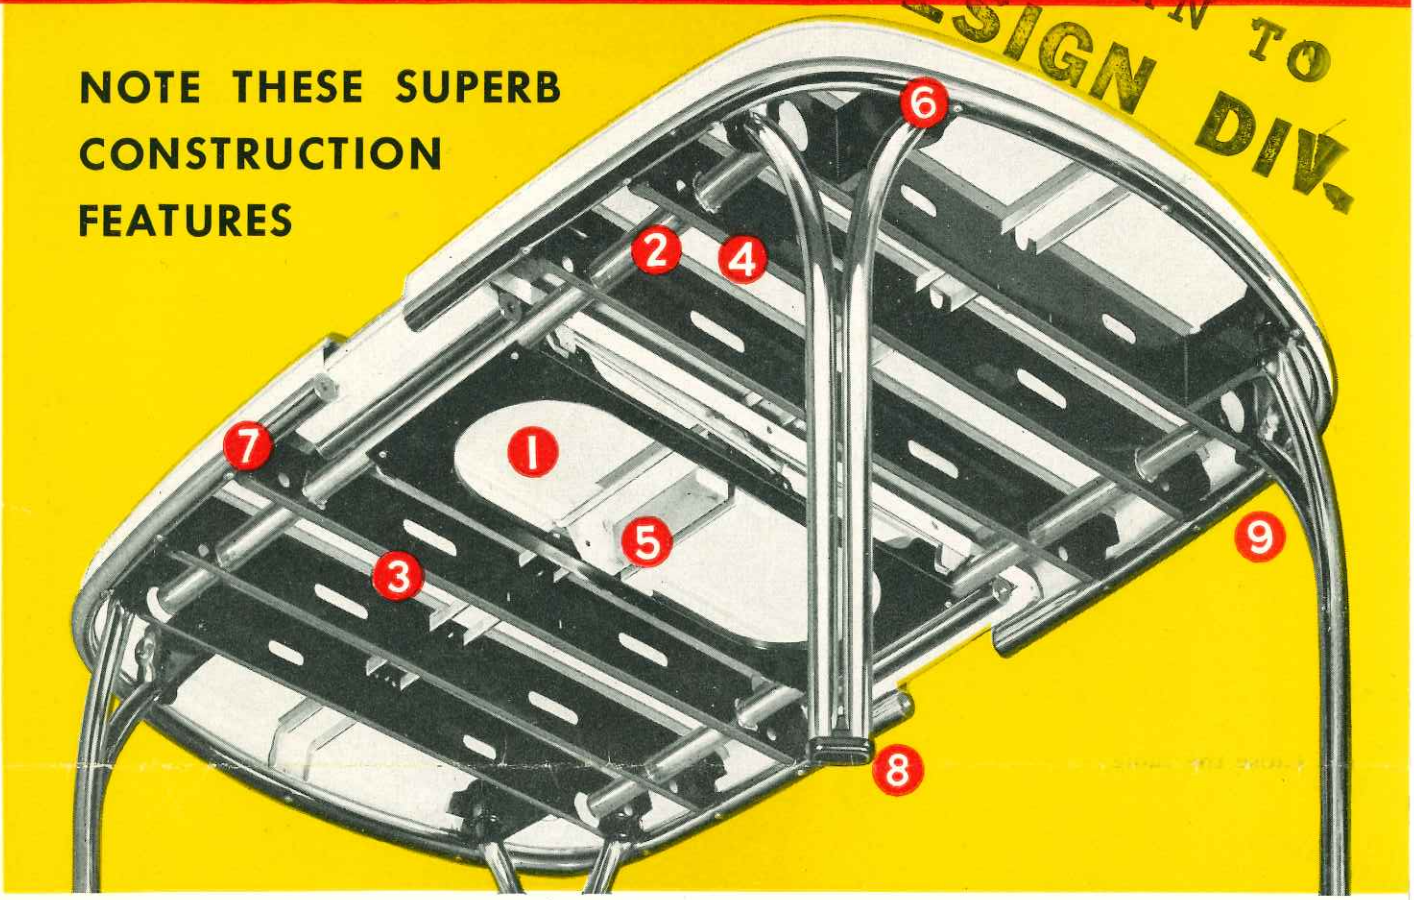
Women's eyes will sparkle when they see the new smartness, graceful lines and solid comfort of the new De Luxe Chairs. Seat and back cushions, easily removable, are deeply, richly upholstered, and covered with smooth, scuff-proof, easy-to-clean VINYL fabric, famous for long wear. Backs are form-fitting. Legs are heavy gauge, 1⅛" tubular steel (same as table legs) beautifully chrome-plated and buffed to a rich lustre. Back and seat panels are finished with new, long-life, brilliantly lustrous Arvinite. All screws are countersunk. Underside construction is smooth and clean—absolutely free of snagging hazards and dust-catching parts.

Overall height, 32½".
Seat size, 17 x 15".

ave new features that women want

RETURN TO DESIGN DIV.

NOTE THESE SUPERB CONSTRUCTION FEATURES



1. The 12-inch "Miracle" slide-away extension leaf. Self-storing. Operates without effort. No other table has this feature.

2. Extension tubes. Smooth, noiseless, can't stick or jam. The simplest, most practical extension device ever developed. Table opens with a gentle pull.

3. Channel steel cross-bracing makes the table permanently rigid—it can never "loosen-up" or "give."

4. The silencing material makes table top firm, prevents squeaks or rattles, minimizes clatter.

5. Heavy channel steel center braces support cross-bracing for added strength.

6. Adjustable legs. Large bolted clamps permit easy adjustment to conform to any irregularities in floor. They hold legs absolutely firm and steady when tightened.

7. Deep, smooth-rolled edges with all-around tubular steel foundation. This provides easy, comfortable hand grip, adds rigidity and strength to the table top and provides a handsome polished chrome trim.

8. Large "domed" plastic feet—easy on all floors and floor coverings.

9. Beautifully styled, gracefully curved, tubular steel legs—full 1⅛″ in diameter (same as chair legs), heavily chrome plated, with a beautiful lustre.

New long-life Arvinite finish

All Arvin Dinette Sets now have this super-serviceable finish. Applied with a specially developed process under intense heat over bonderized metal, it has unsurpassed durability and a rich, gleaming, permanently lustrous surface. Provides utmost resistance to chipping, and cracking. Impervious to fruit and vegetable acids, alcohol or boiling water. Back and seat panels of chairs, as well as table tops, have long-life Arvinite finish.

Packing and Shipping Specifications

Table: Individually packed KD in flat carton. Size 54¾ x 36½ x 6¼″. Quickly set up by tightening leg bolts with wrench in carton.

Chairs: Nested and packed two to a carton. Fully assembled. Carton size, 35½ x 18 x 26″.

Shipping Weights: Table 95 lbs. Chairs (2 in carton) 45 lbs.

These features build SALES!

ARVIN
Metal Chrome
DINETTE SETS

- The 12-inch extension leaf tucks away out of sight when not in use. Slips into place quickly, easily, noiselessly.
- Table is big and roomy for four. Opens out for six. Closed: 30 x 45″. Extended: 30 x 57″. Attractively curved, 1⅛″ chrome-plated tubular legs provide extra knee and leg room.
- Channel steel cross and center bracing keeps table firm and rigid in each position. Deep, smooth-rolled table edge with chrome trim adds beauty and strength. Silencing material prevents squeaks and rattles.
- Large bolted clamps keep legs firm and steady and permit adjustment to irregular floors. "Domed" plastic feet protect floors. Chrome-plating is heavy, durable, buffed to give it a brilliant lustre.
- New long-life Arvinite finish is brilliantly lustrous, easy to clean, extremely durable, and has utmost resistance to cracking, chipping, acids, boiling water and alcohol.

TWO ATTRACTIVE CHAIR STYLES

Both chair styles illustrated and described at the right have frames of 1⅛″ heavy-gauge steel tubing, chrome-plated. Backs and seats have the same new long-life Arvinite finish as the table top.

Snug-fit back (on both styles) is "full-boxed" all around, and snag-proof.

Over-all seat height (both styles) 32″. Seat size (both styles) 15 x 15″—17½″ high.

Choice of colors: (both styles) Red seats with white backs. Black seats with white backs.

Packing Specifications

Table: Individually packed KD in flat carton. Size, 45¾ x 31 x 6¼″. Quickly set up by tightening leg bolts with wrench in carton.

Shipping Weight: 75 lbs.

Chairs: Style 1 or 2. Nested and packed 2 in a carton, fully assembled. Carton size 35½ x 18 x 26″.

Shipping Weight: 40 lbs.

3058, Style 1 Chairs. Comfortable "springy" body balance is the outstanding feature of this S-type chair.

3058, Style 2 Chairs. The distinguished design of this 4-leg chair wins favor with women. "Domed" plastic mar-proof feet.
